Ioannina, 01 April 2023

Att.: Irene Gizeli

Thank you for your reply and the invitation to the meeting with the delegation of Nurseries Department of University General Hospital of Ioannina. We are pleased to accept the invitation and confirm our attendance at the proposed date and time.

We also agree with the proposed topics of the meeting and believe they will be beneficial for both parties. The conference room of Epirus Palace hotel is a suitable venue, and we look forward to the opportunity to discuss, among others, the current problems with patients in Greece and the way of treating them, the scope and structure of studies today, and the nursery practice during university studies.

We are looking forward to meeting with the delegation and the participants of the nurseries group of Israeli nurse association visiting Greece.

Best regards,

George Floudas
